Natures Nest Farm

Just 45 minutes west of downtown Minneapolis, Natures Nest is located off the north fork of the Crow River on 43 beautiful acres.

Upon arriving at the farm you will be greeted by your hosts, Cathy Rose and Don Davies, as well as a few pets...cats, dog, horses, sheep, and chickens.

At Natures Nest we offer three different stays. One is a suite within the home having a living area with fireplace, TV, DVD, video, stereo system, refrigerator, microwave, private bathroom with double massage tub, and a private screened porch with two separate entrances.

The second is a Log Cabin located in the prairie approximately 1/4 mile from the home. It has a screened porch, composting toilet, sun shower, small loft, wood stove, sky lights, and overlooks the prairie and a pond. (Yes, it's available in the Winter.)

The third is the Upper Suite with beautiful views overlooking the back gardens. It has a spacious deck with separate entrance with vaulted ceilings, refrigerator, tub and shower. (Newly remodled)

In the morning awake to the music of songbirds and a dandy breakfast complete with farm fresh eggs which is served at your convenience.

While enjoying your stay with us you may want to canoe the river, walk or ski the trails, read a book in the gardens (there are several), nap in the hanging bed, soak in the outdoor tub, or enjoy a picnic!
